

CASI MAHA MODEL UNITED NATIONS

January 01, 2020

Dear Principals, Faculty and Management Advisors, Parents and Student delegates,

It is my pleasure to invite you to the most prestigious Government of Maharashtra-CASI Model United Nations, India to be held on 28th and 29th February 2020 in Mumbai.

Over the last few years, CASI and Government of Maharashtra have organized large format events targeted towards youth behavior change. CASI is connected with more than 5000 educational institutes (Universities, Schools and Colleges) across India and also runs the world's largest Volunteering platform with a reach of more than 3 Million offline volunteers.

The Maha MUN 2020 has **31 committees** including a few supporting committees. Maha MUN is open to all citizens. We invite applications from passionate citizens to join us.

Working professionals can join us as Management Advisors, Observers or Moderators. Academicians can join us as Faculty Advisors, Observers or Moderators. Non-working parents / senior citizens, etc can also join us as Observers

We hope that the lessons learnt from Maha MUN will inspire and empower delegates to form a voice beyond the committee room. We hope this experience will challenge students to think critically about policy and to drive change in their own communities.

We look forward to interacting with you soon.

Warm Regards,

Secretary General
Government of Maharashtra-CASI Maha Model United Nations 2020
